### **Business Planning**

Downtown Muncy's economic vitality is crucial to the revitalization of our town. New businesses will positively impact all.

### **Business Strategy**

Downtown Muncy Inc. will identify market trends and the needs of our growing community and to create opportunities, recruit new business, and foster a positive economic environment for all.

## ARCHITECTURE, HISTORIC AND ENVIRONMENTAL PRESERVATION

### **Partnerships**

We will work with established business owners, volunteers, progressive political leadership, local government and responsible property owners. Working together is vital to future progress.

### **ARCHITECTURE & HISTORIC AND ENVIRONMENTAL PRESERVATION**

Muncy's historical architecture, quintessential small town atmosphere, and proximity to outdoor recreation is an asset to our community and needs to be revitalized and maintained with care and passion. Downtown Muncy Inc. will work with preservation groups, the Muncy Borough Government, and code officials to help encourage and maintain the town's infrastructure by offering real support in maintaining a historically preserved community while promoting its adaptive reuse potential and developing greater outdoor recreation.
